This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

ROYAL AMBER (PAPERBACK)

Jargon Media LLC, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Old Man died last night, the e-mail read with mysterious brevity. That did it-forget the Garden Club, I was off to London! Little did I know I d be going across the pond to resolve some unfinished business with my former photo agency. While there, I was led through a secret underground tube line and met up with an intimidating board of directors. My mission? Locate a long-lost amber ring-a special treasure that brings great prosperity to whatever country possesses it. With the help of an old flame, I traveled through England all the way to Greece to try to retrieve the powerful amber ring and restore opulence to the UK. Along the way, I encountered roaming paparazzi, determined thieves, and benevolent allies, all the while rekindling a long forgotten romance of years past. An international adventure story with a healthy dose of romance, Royal Amber weaves throughout New York, England, and parts of Greece, with stirring descriptions of each. Author Jeanette M. Harris crafts a genuinely charming tale of intrigue with a down to earth wit and ease-characteristics that transfer to the likable (and nameless) protagonist. An evocative addition to the bookshelf of any travel fiction fan!.
