

Productivity and Discipline: Victims of Misdirected Social Justice

By S.C. Jain (Ed.)

KW Publishers, 2015. Hardcover. Book Condition: New. First edition. This is the first book of its kind in which an attempt has been made to brain-scan some of the judgments of the Supreme Court as well as of various high courts and then to link up the results with the objectives of planned development as enumerated in successive Five-Year Plans. The results of this clinical experiment reveal that the entire Industrial Jurisprudence evolved thus far is based on the concepts of Social Justice, Industrial Peace and Job Security. But in practice, Social Justice has promoted inequality, Industrial Peace has failed to accelerate productive activities of the country for the benefit of the community, and Job Security has promoted indiscipline and inefficiency. There is a powerful appeal to the judiciary as a class, the Bar as a profession, the Government as an instrument, and the political echelons as power-wielders to re-examine the total approach and link up industrial jurisprudence with the objectives of planned development. It is contended in the book that wherever a judgment or award is pronounced on the grounds of Social Justice, judges and adjudicators have a duty to show that the interests of the community were borne...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
