

## Communication Skills for Mental Health Nurses: An Introduction

By Jean Morrissey, Patrick Callaghan

Open University Press. Paperback. Book Condition: new. BRAND NEW, Communication Skills for Mental Health Nurses: An Introduction, Jean Morrissey, Patrick Callaghan, "An extremely informative and useable book covering many aspects of communication .highly recommended for students and practitioners in the mental health field, whether nurses or not." Mental Health Practice "Learning to communicate effectively is vital for all nurses .This exciting new book, with an accessible and engaging style, provides nurses working in mental health, with a valuable and comprehensive introduction to successful communication." Martina Mc Guinness, Nurse Practice Development Co-ordinator, HSE Dublin, Ireland "The book is thought provoking and provides examples not only of what we should be doing but also examples of what we should not to be doing. It is a text that I would have loved to have had access to in my student days and early practice and would therefore strongly recommend this book to students and indeed beginner mental health practitioners of any discipline." Sinead Frain, Clinical Nurse Specialist - Home CareBallyfermot/Lucan Mental Health Service "This accessible book takes you through the core communications skills required as a novice through to a more advanced level.The inclusion of clinical scenarios and practice exercises demonstrate clearly...

### Reviews

*Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.*
