Bottom of the Hill Publishing, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Pray, Pray and Pray some more! God loves it and the Devil hates it. In The Reality of Prayer Bounds explores how prayer is A Privilege, Princely Sacred, how it Fills Man s Poverty with God s Riches, Our Lord s Model Prayer, The Holy Spirit and Prayer and much more. The word Prayer expresses the largest and most comprehensive approach unto God. It gives prominence to the element of devotion. It is communion and intercourse with God. It is enjoyment of God. It is access to God. Supplication is a more restricted and more intense form of prayer, accompanied by a sense of personal need, limited to the seeking in an urgent manner of a supply for pressing need. Supplication is the very soul of prayer in the way of pleading for some one thing, greatly needed, and the need intensely felt. E. M. Bounds offered perhaps a more profound understanding of prayer than any other contemporary Christian thinker. His classic books on the personal communication with God explore how prayer must come from the whole being and strengthens faith in Christian lives. Edward McKendree Bounds was a clergyman of the Methodist Episcopal Church South and author of eleven books, nine of which focused on the subject of prayer. Bounds was a practicing lawyer at age nineteen and after three years, began preaching for the Methodist Episcopal Church, South. At the time of his pastorate in Brunswick, Missouri, war was declared. Bounds became a prisoner of war after refusing to take the oath of allegiance to the Federal Government. Upon release he served as chaplain of the Fifth Missouri regiment until the close of the war.
