New Harbinger Publications. Paperback. Book Condition: new. BRAND NEW, Mindfulness-Based Sobriety: A Clinician's Treatment Guide for Addiction Recovery Using Relapse Prevention Therapy, Acceptance and Commitment Therapy, and Motivational Interviewing, Nick Turner, Too often, clients with substance abuse and addiction problems achieve sobriety only to relapse shortly after. As a clinician in the addiction treatment field, you are undoubtedly familiar with this common scenario, and it can be a source of extreme frustration. To make matters worse, clients may see their relapse as evidence of personal failure and inadequacy, and as a result, they may resist more treatment. What if you could break this cycle and help clients maintain their progress? Mindfulness-Based Sobriety presents a breakthrough, integrative approach to addiction recovery to help you treat clients recovering from substance abuse and addiction using mindfulness-based therapy, motivational interviewing, and relapse prevention therapy. Research has indicated that mindfulness-based therapy is highly effective in treating emotion dysregulation, stress, depression, and grief--all emotions that lie at the root of addiction. Motivational interviewing is helpful in treating addiction because it helps clients learn to change the behaviors that cause addiction. And finally, relapse prevention therapy teaches individuals with addiction to anticipate and cope with potential relapse. This book combines all three of these highly effective treatments. This powerful manual was developed by Gateway Foundation clinicians in order to better fulfill the mission of reducing substance abuse and co-occurring mental health problems. The book provides two curricula: an outpatient treatment curriculum and a residential treatment curriculum. Both are user-friendly and can be implemented in an open group format, which means that you can say goodbye to the days of tailoring one-on-one treatment to fit a group setting. The integrative approach outlined in this book will help your clients conquer substance abuse by identifying their own values, strengthening their...
