

North and South (Paperback)

By Elizabeth Gaskell

Oxford University Press, United Kingdom, 2009. Paperback. Condition: New. New Edition. Language: English . Brand New Book. she tried to settle that most difficult problem for women, how much was to be utterly merged in obedience to authority, and how much might be set apart for freedom in working. North and South is a novel about rebellion. Moving from the industrial riots of discontented millworkers through to the unsought passions of a middle-class woman, and from religious crises of conscience to the ethics of naval mutiny, it poses fundamental questions about the nature of social authority and obedience. Through the story of Margaret Hale, the middle-class southerner who moves to the northern industrial town of Milton, Gaskell skilfully explores issues of class and gender in the conflict between Margaret's ready sympathy with the workers and her growing attraction to the charismatic mill owner, John Thornton. This new revised and expanded edition sets the novel in the context of Victorian social and medical debate. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate...

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.
