

Ventures and Voyages (Classic Reprint) (Paperback)

By Edward Keble Chatterton

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Ventures and Voyages In the years when sailing Ships were of two or three hundred tons, and dangers created a common denominator, the intimacy of ship life was something undisguisable; and that notwithstanding the sharp punishments - the severe inhuman penalties - which the captain or master would employ to uphold his authority. At least he was able to know the characters and dispositions of his men, as is possible only where bulkheads are non-existent or few and fighting was at close quarters. It will be our aim in this volume to present, to revive, the pictures of the past, and to observe the mistakes and follies on both Sides. Primarily, then, we look forward to some stirring sea stories of actual historical truth but in secondary aim we have our Observation keenly adjusted for those intricacies of shipboard life which usually escape the attention of historians, yet are requisite for any adequate conception of the subject. Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
