Paperback. Book Condition: New. Paperback. 176 pages. Do you feel restless about your church's ministry and wonder whether joining with another church (or churches) could increase your missional impact on the community? If so, you may want to learn more about Vital Mergers. As blended families face big decisions and challenges, so do churches seeking to merge. Dirk Elliott has helped numerous churches successfully navigate this process and can help you do the same. As denominations work to create more vital congregations, Dirk Elliott shares a new way to bring growth and health to existing congregations through Vital Mergers. This book offers a step-by-step approach to a successful Vital Merger, giving helpful examples of what to do and what not to do. I encourage the use of the book for any congregation that is considering doing something new. Deborah L. Kiesey, Bishop of the Michigan Area of The United Methodist Church. Dirk's long-awaited work on Vital Mergers is both his premarital counseling guide and wedding gift to congregations that have a sense of vision and purpose beyond themselves and for the communities God has called them to serve. This innovative and instructional manual comes right out...
