Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Hindrances to Good Citizenship When first I was honoured by the request to deliver this course of lectures, founded by one whom I knew and respected, and who was himself the model of a generous and public-spirited citizen, zealous in many good works, I hesitated to under take a function which could, as it seemed to me, be better discharged by some American citizen who, because he was a citizen, knew from personal ob servation and experience what are the duties and responsibilities that belong to citizenship in this country. Such a lecturer would, I thought, have the facts more thoroughly before him than a stranger could, and could deal with them more freely than one who might feel that it would be unbecoming for him to criticise the standard of civic duty in a nation to which he did not belong.
