

Border Interrogations: Questioning Spanish Frontiers (Paperback)

By -

Berghahn Books, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. [This] collection provides stimulating perspectives, drawn from a wide historical and geographical range, that refresh the theories, methods, and goals through which we deal with border issues. H-SAE These twelve essays consider in an exemplary fashion geographical, cultural, gender, linguistic, disciplinary, and other Spanish borders. All-in-all, this book is not only worth reading, but an admirable example of where contemporary Hispanism can be found. Bulletin of Spanish Studies Read together or individually, these essays mark an impressive display of knowledge of Spanish cultural and historical identity both in width and profundity, and, more importantly, of the marginalized, suppressed, or ignored elements that undermine that knowledge. If you think you know Spain, think again; you will find something, if not many things, in this collection to challenge your perceptions. A valuable resource for students and professors alike, as well as any reader with a desire to better understand the complications, ambiguities, and fluctuations of modern and historical Spain. Bulletin of the Association of Spanish and Portuguese Historical Studies Under the current cartographies of globalism, where frontiers mutate, vacillate, and mark the contiguity of discourse, questioning the Spanish border...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
