Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.One Green Thumb and Nine Sticky Fingers is both a serious and humorous guide that highlights some of the ancient sacred rituals and cycles and will inspire both today's novice and expert gardeners. Natural cycles are the spine and theme of One Green Thumb. My book reminds my readers that to survive, modern man must live in balance with plants and animals. This book will inspire individuals and families who want to learn how to understand and grow organic vegetables and flowers, enjoy the protection and privacy of trees, and promote a more balanced lifestyle for themselves and humanity. Mother Nature's rhythmic cycles are signposts that guide the reader through mankind's eons of trial and error with her gifts: the ability to recognize wild weeds as edible herbs, as well as to plant and harvest healthy organic plants. The reader learns here to follow the simplest rules of horticulture to maintain humans, animals, and insects' life cycle integrity. We can learn to re-educate ourselves to respect all creatures right to life without poisoning ourselves with toxic chemicals. With...
