Here again, I will be gracing another major subject with my irreproachable wisdom and my brain-flipping intelligence, in this 4, 630 word book. I doubt that there is a single evolutionist who can match wits with me because I am a student of life and of nature. My own self-administered studies are far greater than those that can be offered by universities and schools (not to degrade the importance of them for most people) or by attaining educational degrees and credentials (also very important for the right people). I need none of these things personally because I have already attained an education on my own, that far exceeds those that would provide me an officially-recognized expertise on any of the subjects I address. No, it is rather my own students those who follow my written dissertations and teachings, who supply me with the credentials of an expert. Now here we go, into those golden gates of my chapters, that will forever change your brain for the better. You will in fact become brain-flipped, so brace yourself and delve into my words of infallible wisdom! I hereby grant you permission to proceed! TABLE OF CONTENTS CHAPTER 1 The Importance of Bananas and Monkeys Among Evolutionists CHAPTER 2 The Theory of Evolution Makes Money for Scientists CHAPTER 3 My Interview with Bigfoot (Im Not a Missing Link He Says!) CHAPTER 4 If Were Animals We Shouldnt Have Morals In Conclusion The History Behind these Comedy/Satire Books: While my largest base of book titles are on health disorder subjects, I also have a significant number of business-related titles published, as well as many on Christian Bible theology. Before I began publishing...
