By Jim Burns

University of Arizona Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Arizona is renowned as a premier birding state, a place where many species rarely seen anywhere else in the country reach the northern end of their migratory range. Jim Burns? Bird-watchers new to the game will find a wealth of knowledge on and insight into some familiar favorites, as well as an idea of what it takes to accomplish more uncommon sightings. Veteran birders will appreciate Burns? unique incorporation of natural history and other details beyond the usual taxonomic data, and will enjoy reminders of their own triumphs and heartbreaks in his colorful personal accounts of vehicular breakdowns, photographic faux pas, and egregious identification errors in the field. Illustrated in full color by seventy-five of the author s own...
