Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

MENISCUS: SOUTH FROM SINTHA (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.On a planet where Humans are slaves, Odymn is free. Her companion, the Slain, was once a trader in sentient beings. Now, for love of Odymn, he has agreed to change his ways and to return his former captives to their homes. Together, he and Odymn travel the urban alleyways and wilderness woodlands of the Southern District of Prell-nan, risking everything. They must battle wild life, outsmart power-hungry Dock-winders and dodge the grasp of ruthless Gel-heads. But in spite of good intentions, will the Slain be able to fix his past misdoings? Or will the consequences of his actions outweigh the good he and Odymn want to do? In the second of the Meniscus series, South from Sintha tells the continuing story of Odymn and the Slain. Odymn loves her silent companion, but trying to help his former victims may be a challenge she did not anticipate. You can try to mend the broken, to right the wrongs of the past, but sometimes you cant go back.
