

## Vaccine Development for Onchocerciasis

By Robert Adamu Shey

LAP Lambert Academic Publishing Mrz 2013, 2013. Taschenbuch. Book Condition: Neu. 220x150x6 mm. Neuware - Onchocerciasis (River Blindness) continues to causes a lot of havoc worldwide with Sub-saharan Africa bearing the greatest burden. Control measures which have so far relied only on vector elimination and chemotherapy (with Ivermectin) have not been as successful as previously projected. Alternative neasures of control are desperately needed. Excretory-secretory products (ESPs) have been reported to be a good source of drug targets, diagnostic tools as wells as vaccine candidates. This is based on the investigation of ESPs from *Onchocerca ochengi* as possible vaccine candidates for onchocerciasis. 96 pp. Englisch.

### Reviews

*A top quality ebook and the typeface used was interesting to learn. This can be for all who statte that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be he finest book for at any time.*

-- **Mr. Carol Bergnaum IV**

*This publication will not be straightforward to begin on studying but quite fun to see. It really is basic but shocks in the fifty percent of the ebook. I realized this ebook from my dad and i advised this pdf to learn.*
