Bantam Doubleday Dell Publishing Group Inc, United States, 1997. Paperback. Book Condition: New. 173 x 104 mm. Language: English . Brand New Book. Young Josiah Paddock, on the run from his past in St. Louis, didn t have much hope of survival. Winter was coming to the Rockies, and if the cold cutting through his city clothes didn t kill him, grizzlies or Indians would. Then his luck tued. He stumbled across the trail of Ol Scratch, a solitary mountain man eager enough for company to take the brash youngster under his wing. Pure chance brought Paddock to the old trapper s camp, but it was skill with a gun and a knife that kept them both alive as they rode deep into the majestic land of Blackfeet and Crow, bible-spouting pioneers and sensual woman where only the best and braves survived . . . and only the luckiest rode back again. Carry The Wind is a gripping historical saga set in the Grand Tetons during a time when the horizon never ended and a nation was being born. Brutal violence, enduring love, and a passion for the mountains A book worth reading and an author worth watching. -- Library Journal.
