## THE FINAL ROMAN EMPEROR, THE ISLAMIC ANTICHRIST, AND THE VATICAN S LAST CRUSADE (PAPERBACK)

Defender, 2016. Paperback. Condition: New. Language: English . Brand New Book. Following the release of their first three international bestsellers--Petrus Romanus, Exo-Vaticana, and On the Path of the Immortals--Thomas Horn and Cris Putnam were swamped with interview requests from radio, television, and print media outlets around the world. When they accurately predicted the resignation of Pope Benedict XVI one full year in advance, even naming the precise time he would step down, global shockwaves raised compelling questions regarding why the Vatican has an advanced telescope set atop Mt. Graham in Arizona where the Jesuits admit they are monitoring quot;somethingquot; approaching Earth. After the authors second report was published in Exo-Vaticana, the pope s top astronomer took to the airwaves in an attempt to explain the role he and other church astronomers are playing in regard to the LUCIFER device, as well as their developing doctrines concerning extraterrestrial life and the impact it may soon have on Earth s religions (Christianity in particular). Then, in the third book by Horn and Putnam, the authors set out with cameras and field investigators to unearth their most astonishing discovery yet: Mt. Graham is a quot;portalquot;--the Native Americans who fought the Vatican and NASA told them--a gateway to another dimension. And, as the Vatican knows and the authors uncovered, it is not the only one. Even then, they had no idea what secrets the Vatican was shielding until now.FOR THEIR LAST ENTRY INTO THE 4-YEAR INVESTIGATION REVEALS:Tom Horn s greatest prediction yet (this will shake the foundations of the world!)The WMD that ISIS will use, and how it will lead to an ApocalypsePetrus Romanus, Albert Pike, the Islamic State, and the coming ArmageddonPope Francis becomes the Destroyer (or shall there be another?).The Last Crusade Agenda, hidden in plain sightThe prophecy of the quot;Last Roman...
