

Burden (The Burden Trilogy) (Volume 1)

By Aj Shute

CreateSpace Independent Publishing Platform. Paperback.
Condition: New. This item is printed on demand. 352 pages.
Dimensions: 9.0in. x 6.0in. x 0.9in. Burden is a novel that follows the life and trials of a young boy named Artemis Burden. As the healer of a village located in the forests of Upstate New York, his duty is to aid the ill, mend wounds, and dispose the bodies of those he failed to save. However, everything changes after the village Outcast attempts suicide and Artemis realizes that the key to healing her insanity lies in learning of the villages dark and bloody secrets. There are only a few people willing to risk their lives to help Artemis, and unfortunately, there are even more people who would rather the secrets be kept in the past, as their power lies in their visages. Artemis only refuge from his dangerous home lies in the company of a few rowdy teenagers from the small town that borders the forest. Despite these Outsiders seemingly carefree and plentiful lifestyles, even they seem to have their dark little secrets to hide. Burden intended for mature audiences. All characters and incidents are fictional. This copy of Burden is a first draft edition...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
