

## Government in the United States, National, State and Local

By Dr James W Garner

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My aim in the preparation of this book has been to present in an elementary way the leading facts concerning the organization and activities of national, state, and local government in the United States. I have given rather greater emphasis than is customarily done in textbooks of this character to what may be called the dynamics of government, that is, its actual workings, as contradistinguished from organization. Likewise, I have laid especial stress upon the activities and methods of political parties, party conventions, primaries, the conduct of political campaigns, the regulation of campaign methods, and the like. The increasing importance of citizenship has led me to devote a chapter to that subject. To encourage wider reading among students, I have added to each chapter a brief list of references to books which should be in every high school library. The great value of illustrative material as a means of acquainting students with the spirit and actual methods of government is now recognized. For the convenience of teachers, I have therefore added at the end of each chapter a...
