Despite her sexy, seductive-sounding name, Velvet Rouser is a painfully-shy introvert. She has zero romantic experience with the opposite sex. Loneliness is her closest companion. Braeden Stone is a rough-and-ready cowboy who knows his way around women. But, an unfortunate accident has kept him out of the saddle, literally and metaphorically, for a long while. Both are destined to be alone unless they can find the strength and courage to answer when love calls. When Love Calls is part of the Raining Romance Series. Each book is a standalone where unexpected storms of passion rage and love strikes faster than lightning.
