LOST AUSTIN (PAPERBACK)

Arcadia Publishing (SC), United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Known to some as Capitol City, River City, and Groover s Paradise, Austin is a diverse mix of university professors, students, politicians, musicians, state employees, artists, and both blue-collar and white-collar workers. The city is also home to the main campus of the University of Texas and several other universities. As Austin has grown to become more cosmopolitan, remnants of its small-town heritage have faded away. Austin s uniqueness both past and present is reflected in its food, architecture, historic places, music, and businesses. Many of these beloved institutions have moved on into history. While some are far removed in the mists of time, others are more recent and generate fond memories of good times and vivid experiences. Images of America: Lost Austin explores, through the collections of the Austin History Center and others, where Austinites once shopped, ate, drank, and played.
