Man and Wife

By Tony Parsons

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Man and Wife, Tony Parsons, Harry Silver returns to face life in the "blended family." A wonderful new novel about modern times, which can be read as a sequel to the million selling Man and Boy, or completely on its own. Man and Wife is a novel about love and marriage - about why we fall in love and why we marry; about why we stay and why we go. Harry Silver is a man coming to terms with a divorce and a new marriage. He has to juggle with time and relationships, with his wife and his ex-wife, his son and his stepdaughter, his own work and his wife's fast-growing career. Meanwhile his mother, who stood so steadfastly by his father until he died, is not getting any younger or stronger herself. In fact, everything in Harry's life seems complicated. And when he meets a woman in a million, it gets even more so. Man and Wife stands on its own as a brilliant novel about families in the new century, written with all the humour, passion and superb storytelling that have made Tony Parsons a favourite author in over thirty countries.

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.
