THE BRINKMEYERS - a new novel by Michael Cameron: Hymie Brinkmeyer has some blind spots - like believing his kids can do no wrong, which is foolish as he should know by now that if his seventeen year old son Kevin is busted one more time for possession then he might just have a drugs problem. And he really ought to admit that his nineteen year old daughter Karen is pregnant, unmarried and has no idea who the father is though its apparently not the same guy who got her pregnant last time. Then theres the lump in his scrotum, which is probably just a cyst and there is Maggie, his English wife she hasnt slept with him for years, and she seems very close to her psychiatrist, who quite often likes to meet her late at night for a little Freudian analysis over a bottle of wine and a tub of Haagen Dazs. . . But Hymies biggest blind spot has to be about the beautiful Colleen, his motorbike riding, leather-clad, dark haired Irish secretary. Shes loved him for years but Hymie cant see it. Or maybe he doesnt want to until one day, when hes lying in a hospital bed, she comes to visit him and thats when Hymie falls in love with her too. The question is will he leave Maggie for her Well, he may not have to, because it seems that Kevin is planning a little matter of matricide and that may solve everyones problems. THE BRINKMEYERS - the frightening thing is, your family is probably just like them. (Contains adult content and strong language). This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN....
