Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Andy was a red-haired man who died and went to Heaven. He was then given the option of returning to earth to help someone. That s what he did. He wanted to help his girlfriend.The only problem is that he returned as a red-haired cat. Because Andy kept forgetting that he was a cat he got into a lot of trouble. This story is based on my real-life cat, Andy, who is more human than cat. Given the opportunity, Andy will drink alcohol and soak in a warm bath. This is why I wrote about my nearly human cat, Andy, whom I love dearly.
