Red Hen Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The second collection by Nicelle Davis, *Becoming Judas*, is an elemental bible-diary-manifesto, that weaves together Mormonism, Mamaism, Manson, Lennon, Kabbalah, and the lost Gospel of Judas into an ecstatic, searing meditation on raw religion. Nicelle Davis is a poet with an eye towards the spiritual. Loosely based on Davis's upbringing in the back-room of a record store in Mormonville, Utah, this unexpected fusion becomes a spontaneous combustion of matter turning into energy. In these poems we encounter Jesus, Judas, YouTube, Joseph Smith, Hollywood, the Knights of Templar, Missouri, Utah, a prostitute, turnips, libraries, and God. Spirituality and faith eventually become, like Mallarmé's *Dice Thrown*, a game of chance: I know only chance. My feet will / won't hit ground. Instead of choosing a faith based in the material world, which becomes a roll of the dice, Davis embraces the non-material of a pure energy: Let there be light.
